The conditions

Dear guests,

these menu proposals are only possible under the following conditions:

- each of the menus can be ordered only for 8 people or more
- **a common menu** must be chosen for the whole company
- the menu is subject to seasonal or purchasing changes
- If **a meat dish and a fish dish** are desired for the main course, the respective number must be communicated five working days in advance.
The following applies: fish according to daily offer and daily price on the day of the event.
- **Vegetarians, vegans, allergies, intolerances?** Ask your guests and inform us in time.
In the past we also had a vegetarian and a vegan menu on offer. Since the demand is too low for it, the following rule now applies again:
Please note, applies to all menus:
If there are not eight vegetarian menus together, the dishes for individual vegetarians as well as for vegans, allergy sufferers, etc. will be adapted to the menu chosen for the company according to the daily offer on the day of the event.
- Notification of the **final number of person** in a party: **five working days before** the day of the event - this is the basis for our orders, preparations and invoicing.

All prices include VAT and service.

Please do not hesitate to contact us if you have any questions.
